

Hurricane Ike Waivers Discontinued February 1, 2009

The special waivers for services rendered to clients in ZIP codes affected by Hurricane Ike will be discontinued February 1, 2009. For claims with dates of service February 1, 2009, and after, the normal requirements for provider referrals, prior authorizations, and 95-day filing deadlines will be reinstated.

Providers must file any remaining claims for clients in the Zip codes affected by Hurricane Ike with dates of service between September 9, 2008 and January 31, 2009 within 95 days of February 1, 2009. Claims submitted after the 95-day filing deadline will only be considered for reimbursement through the normal appeal process.
